

Certificates

27-02-2012r.

In 2003 FLT Polska was certificated by the Swiss company SGS, and granted ISO 9001 certificate. In accordance with the Quality Policy, the board and employees are engaged in the maintenance and improvement of Quality Management System. It is the FLT Polska's mission, consistently pursued by the Management, to further expand the value of the Company and the FLT Bearings Group.
